CALVIN COOLIDGE HIGH SCHOOL, WASHINGTON, D. C.

FOREWORD

To the students of Coolidge whose comradeship and cooperation made this book possible we present the '46 **Corral**. Bigger than ever before, our first peacetime yearbook is a product of that teamwork which exhibited itself in the enthusiastic support of every school activity from Student Council dances to basketball games and caused Coolidgites to be aptly referred to as "an 'all-high' student body." "All high", meaning championship caliber, is the best word to define the spirit which has prevailed at our school.

We won't attempt to analyze this spirit or even profess to know how it came into existence. But we do recognize it as being a living, vigorous, motivating force in our school.

Perhaps in the years to come while glancing over this book we shall recall what was accomplished through teamwork in high school, and we may ask ourselves why such spirit and active cooperation should be confined to our high school society, why it could not grow with individuals and become a power for real good in our national and international communities!

Here, then, is our school year of 45-46, all wrapped up in a neat little package. We hope that the pictures are good, the write-ups are interesting, and the spirit is there. So to you, all high student body, we present the '46 **Corral**.

CORRAL

MR. T. J. HOLMES
Principal

As the members of this year's graduating classes join the growing ranks of Coolidge Alumni, we wish for them the best of everything in all of their undertakings. We hope that their days in this school have been interesting, enjoyable, and profitable. We ask that each one, in the best Coolidge tradition, take his work, whatever it may be, seriously and make his contribution to his community, his country, and to humanity. May God bless each one of you!

SENIOR CLASS HISTORY

Now that we are leaving Coolidge to follow many and diversified ways of life, it is fitting that we, as a class, should review once more the events of the past three years that have meant so much to us.

All of us remember vividly the fall of 1943, with every Friday afternoon marking a new victory for our football team, which in the end rewarded our greatest hope by becoming the champion high-school team of the District.

Football tactics remind us of our mad rush to get into the right clubs on the right day, a trick we could never seem to master even after three years' practice.

As the spring of 1944 approached, a girl cadet corps was organized, and many girls of our class added "To the rear, march!" and "In cadence" to their vocabularies.

That spring, too, our tennis team captured the championship and began preparing for the repeat performance they were to stage the following year.

As we came back to Coolidge in the fall of '44 for our junior year, we began nine months of hard work, intermingled with more fun than we'd ever had before.

Our social life moved at a faster tempo this year, with the Touchdown Dance, the Turnabout Dance, the Cadet Ball, the Interhigh Dance, and finally, in the spring, the big success of the year for us, our Junior Prom.

As we grew older our appetites grew with us, and the faculty thought it advisable to give us earlier lunch periods. The first lunch soon became affectionately known as the Breakfast Club.

After games this year we went home with our ears deafened by the resounding noise of the newly founded Varsity Band.

During our junior year, the new Club Room, open to seniors during lunch periods, became the center of the school's social life.

The spring play of 1945, "Arsenic and Old Lace," was as great a success as its predecessor, "The Man Who Came to Dinner".

In April we watched the flag above the plaza fly at half mast, and our voices were hushed in tribute to the memory of our great war leader, Franklin D. Roosevelt.

Before the flag was raised again, however, we witnessed the triumph of our Allied forces in Europe, and here at Coolidge we marked this V-E Day with a simple, religious service.

It seemed strange to be going to school during our senior year in a world at peace. The first effect of this change on Coolidge was the return from the armed forces of its principal, Mr. "Tommy" Holmes, whom we were proud and glad to welcome back. It was hard to say good-bye to Mr. Brougher, though, and we tried to express our gratitude by presenting him with a silver service and our best wishes for continued success.

In the fall of our senior year the cast of the "H.M.S. Pinafore" presented a two nights' performance and succeeded in singing their way into the hearts of their audience.

The February class, suddenly finding commencement just over the horizon, elected their class officers and on January 18 held their Senior Prom at the Shoreham Hotel.

For the most part our three years at Coolidge have been happy ones. We've worked together as a class to hold high the standards of our school. As commencement draws near, and we are about to become alumni of this school, it is with real sorrow that we think of leaving it. We know, however, that we will treasure throughout our lives the bonds of affection formed here. We are leaving with high hopes both for our future and for that of Coolidge.

C.BRAY

UNDERGRADUATES

JUNIORS

As sophomores, we came to Coolidge in the fall of '43. Our interest was soon directed toward the football season, which gave us, as new students, our first taste of school spirit. Our first opportunity to show our diversified talents came with the fall show, "The Pied Piper", with all semesters represented in the cast. Basketball next took the stage, with a victory over undefeated Eastern, 40-38, climaxing the season.

The beginning of the new semester brought tryouts for the spring play, "Arsenic and Old Lace", in which a member of our class played one of the leads. Then came baseball, tennis, swimming, and the cadet competitions to entertain us until the end of the semester. Report cards brought our first year at Coolidge to a sobering close, with their reminder of progress achieved or neglected.

When we returned after a summer spent in working, attending summer school, or just loafing, "All work and no play" was not our motto. With the beginning of the new semester we were juniors, of age at last. The football team again went into action, with many of our classmates playing on the team. In December, Mrs. McAdoo and the chorus presented "H. M. S. Pinafore", in which several members of our class sang leading roles. The next important events were the basketball games, which brought the championship to Coolidge. We were proud of the contribution to that achievement made by the members of the junior class who were on the team. One of these boys was placed on the all-high team.

We are all looking forward to the Junior Prom, a festive celebration of our status as upper classmen.

Soon we shall be seniors. We know that with this position will come a greater responsibility not only to our school, but also to ourselves, individually and as a group.

FOOTBALL ROUND-UP

After winning 6, losing 2, and tying 1, the Coolidge football team placed third in the 1945 interhigh competition.

In the opening game the Colts, with 7 returning lettermen, easily took Western, 12-0. On Nimitz day C.C.H.S. fought a tough game with Anacostia, ending with a tie of 13-13. They then gained an easy victory over St. Johns, 19-0. The Colts next conquered our arch-rival Roosevelt, 19-6, and a week later defeated Central by the same score. After this game, Coolidge triumphed over a previously untied, undefeated Gonzaga, 6-0. But the powerful Wilson Tigers broke this beautiful winning streak, 18-13, and then Eastern blanked us, 20-0. On Thanksgiving Day the Colts came back to win their last game over Tech, 14-7.

At this point Eastern led the league while Coolidge and Wilson tied for second place. Then Wilson and Western played a game that had been rained out twice. Wilson won and relegated the Colts to third.

In the All-High—All-Prep clash at Griffith Stadium, Coolidge was represented by Chuck Ackerman, Charlie Kiesgen, and Stan King. For the third consecutive season the game ended in a tie, with this year's score, 6-6.

Those team members who received a big orange "C" were Charles Ackerman, Ted Barnett, Clifton Browne, Norman Chaudet, Jack Doffort, Chauncey D'Pugh, Lawrence Drew, Frank Geraci, Norman Gullickson, Bill Hepburn, William Hulbert, Charles Kiesgen, Stanley King, Warren Malkin, Dick Taylor, William Witzel, George Lindsay, Robert Weiman, Charles Travers, and William Cannon.

BASKETBALL

The interhigh championship, the metropolitan championship, and a possible southern states championship sums up the accomplishments of the 1945-1946 Coolidge basketball team, whose chances at the beginning of the season looked definitely poor. When the team was organized on November 1, the single letterman was Bill Cannon, and only eleven others had varsity or junior varsity experience. Practicing hard, however, the Colts took St. Johns in their first game, 36-34. Meeting their first interhigh opponent, Western on January 4, the team won easily, 31-19. Again playing St. Johns, Coolidge came out on top, 36-21. A close victory over Anacostia, 28-26, put the Colts with Tech and Wilson in a three-way tie for first place. The next victim was Episcopal, who lost 36-32.

As the opponents became tougher the Coolidge fans consistently increased in numbers and noise and, aided by the Varsity Band and Cheerleaders, fostered such a determined spirit among the members of the team that they upset a favored Roosevelt squad with the decisive score of 45-28, thus tying with Wilson for first place. Fighting hard, the Colts went down for their first defeat of the season to an almost college-quality Bullis quint, with a score of 26-37. In a tight, hard-fought game with Central, the Coolidge cagers lost 33-37, but later snapped back to down Blair, 27-17, and St. Anthony, 24-15.

Playing a fast, first-place Wilson squad, the Colts suffered a defeat by the narrowest margin possible, one point, 30-31. Aroused by this upset, the Coolidge team licked St. Albans with a big score of 51-32, and Eastern very decisively, 46-34. Gonzaga next fell to the Colts, 36-29. In the last scheduled game of the season on February 15, the Coolidge team nosed out Tech 33-32, thus assuring itself a place in the interhigh playoffs.

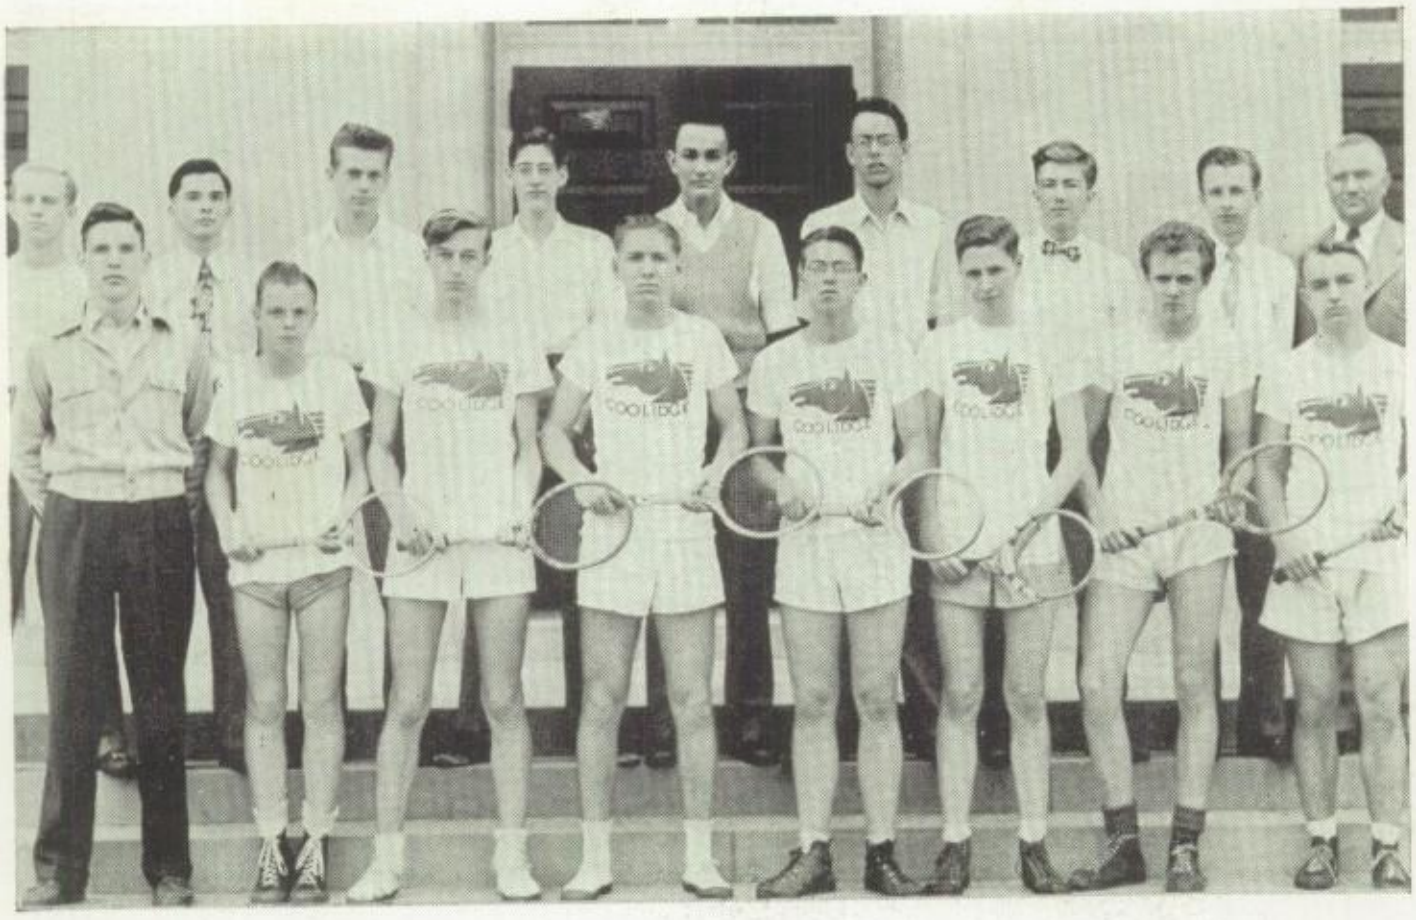
Drawing Tech as their first opponent in the playoffs, the Coolidge cagers, in a real thriller that was decided only at the final gun, licked their opponents, 40-36, and the next night met Wilson to decide the interhigh championship. In a hard-fought game the Colts topped a favored Wilson team, with a nine point margin, 41-32, before a sellout crowd at Tech gym. As a result of this game both Coolidge and Wilson were invited to play in the "Star" tournament for the metropolitan championship.

With Bethesda as their opponent in the first game at Ritchie Coliseum, the Coolidge five won with little trouble, 40-36. On Wednesday, February 27, the Colts edged Gonzaga, with Dick Taylor's foul shot in the last eight seconds of the game, 21-20, winning the opportunity to play Wilson Saturday for the metropolitan championship. Determined to prove that they were not a club who "lucked out" its victories, the Coolidge boys played their finest game on Saturday, March 2; they beat Wilson by eighteen points, 40-22, outscoring and out playing them in every department, with the Coolidge captain, Bill Cannon, scoring nineteen points alone. The reward for winning the metropolitan championship, a small gold basketball, is now proudly worn by each member of the team.

As the best high-school team in the Washington area, the Colts will travel to Durham, North Carolina, on March 15 and 16 to compete in the tournament to determine the best team in the southern states. We know the boys will do their best to win, and we wish them all possible luck.

The boys responsible for this championship season who will receive letters are as follows: Bill Cannon, Dick Taylor, Stan King, Bob Kleinknecht, Bob Rohr, Warren Malkin, Bob King, Richard Sturges, Bill Witzel, and Dick Reed, manager; the coach, who with but one letterman brought this victory to us, is Mr. Julian Colangelo.

TENNIS



For the third consecutive season the Coolidge tennis team, coached by Mr. Leonard Himes, captured first place in interhigh competition. As reward, the Colt net-men received the Western Maryland Cup. They also were runners-up for team honors in the Sidwell Friends' contest.

The Colts lost their opening match to Woodberry Forest, 5-1, but two weeks later they came back to blank Wilson, 6-0. C.C.H.S. dropped the following game to St. Albans, 5-4, but then came fighting back to win five straight, decisive victories; they defeated Tech 6-0, Roosevelt 6-1, Central 7-0, Landon Prep 6-3, and polished off the season by shutting out Western 7-0.

Those team members who received letters were Richard Fink, Eugene Griffin, Olin Newton, Robert Spangler, George Sponsler, John McKinley, and Sam Phillips.

TRACK

The Coolidge track team of 1945, with no coach, ended their season fifth in interhigh competition. In the first two meets the Colts did not do well, but in the third meet Larry Drew ran second in the mile, and Hausrath, Tash, Drew, and Lindsay took first place in the medley relay. At the "C" Club meet Drew scored again with fourth place in the 880 yard run. At the Interhigh Meet the team finished the season's contests very well, with "Vitamin" Drew coming through again with first in the 880 yard run and one teammate, Tash, not far behind in fourth place; also, Ferguson and Espey won third and fifth places respectively in the mile run, and Lindsay, Davidson, Hausrath, and Krider placed fifth in the mile relay. Those winning letters were as follows: Dean Hausrath, Lawrence Drew, Ralph Tash, Robert Ferguson, Thomas Davidson, Raymond Espey, and George Lindsay. This year the team will be coached by Mr. Roberts, the newest addition to the boys' physical education department.

BASEBALL

The 1945 Colt baseball team under the coaching of Archie Neer won second place in the interhigh race.

To open the season Coolidge blanked Devitt, 6-0 and a few days later defeated Bethesda, 12-2. Then the mighty Colts topped Wilson, 6-1, and Woodberry Forest, 6-5. Following these games C.C.H.S. won over Western, 8-3, and beat Tech, 7-4. In a very close game Coolidge barely nosed out Blair, 2-1, but afterwards romped roughshod over Roosevelt, 14-0. Two days after this, Bethesda came back to break the Colts' winning streak, 12-2, and shortly afterwards Eastern served them another defeat, 2-1. The Colts, however, snapped back and blasted Blair, 8-1, and Gonzaga, 14-4. In the last two games of the season conquered Central, 8-4, but fell to Anacostia, 4-3.

In the interhigh playoffs C.C.H.S. blanked Central, 6-0, but lost to Eastern, 4-0.

Catcher Stanley King, Pitcher Charles Henry, and Shortstop Allan Shaw won berths on the "Times-Herald" All-High team.

Letters were awarded to Stanley King, Charles Henry, Charles Kiesgen, George Neumann, Allan Shaw, Edward Balderson, William Lake, William McKinney, Daniel Bass, Tommy Israel, Robert Wyatt.

The Coolidge golf team of 1945 placed first in interhigh competition with an undefeated season. They started well, beating Roosevelt seven to two, then edged Western five to four, and hit their stride by blanking both Central and Wilson nine to nothing. After these games the sharp shooting Colts allowed no opponent more than two points out of nine. In the whole season the Coolidge golfers shut out Central twice, Wilson twice, and Roosevelt once, and beat a favored Devitt team seven to two. Ably coached by Mr. Julian Colangelo, the boys responsible for this great success, all of whom received letters, were Alan Weisberg, Richard Sturges, Jack Bingham, William Elting, Jay Wolf, and Richard Taylor. Of these boys four—Jay Wolf, Richard Sturges, Jack Bingham, and Richard Taylor—are returning, and the chance of their bringing back the 1946 golf championship is very great indeed.

GOLF

"C" CLUB

Boys who have earned athletic letters in some sport make up the membership of The Calvin Coolidge Colts "C" Club, which sponsors such school activities as the Junior-Senior games and various parties and picnics. Through its meetings held once every advisory the club develops the tradition of good sportsmanship at C.C.H.S. President—Bill Cannon, Secretary—Warren Malkin, Treasurer—Ted Barnett, Faculty Advisers—Gilbert Conn, Julian Colangelo.

VARSITY BAND

At every basketball and football game, Coolidge students see—and hear—nine orange-clad boys literally blowing their brains out. These boys compose the Varsity Band, a unique Coolidge organization that commands the envy of all the other schools in the District. The members of the band meet for an hour every Tuesday morning, learning their songs and stunts, which add greatly to the pep and increase hugely the enjoyment of all who attend the athletic contests at which they play. Manager—Robert Warner, Sergeant-at-arms, Treasurer—Eldon Volkmer, Faculty Adviser—Mr. Himes.

CHEERLEADERS

At every football and basketball game and at every athletic assembly, half-a-dozen or more peppy, orange-and-gray-clad boys and girls are out in front of the rooters' stand performing enthusiastic but rhythmic gyrations. These kids are the cheerleaders, as well organized as any team and almost as essential to our athletic success. It has been said that Coolidge is the "noisiest school in the District"—an undeniable compliment to our energetic cheerleaders. An athletic letter presented at the close of the school year rewards these boys and girls for their efforts. Adviser—Mr. Himes.

CADETS

BOY CADET CORPS

Early in the school year the adjutant's command of "Battalion, Attention" started the Coolidge Cadets on what promises to be their most successful year. Instructing the regiment was Lt. Col. Michael Kelly, U.S.M.C., who last year had drilled the Colts into a fourth-place Company B. The regimental band was under the direction of Mr. Walter Howe, who replaced Mr. Vladimer Vasa.

Although handicapped by a lowered enrollment, the corps surged ahead with high spirits. This enthusiasm flowed over into such cadet activities as a high-scoring rifle team, a map-reading class, the Chevrons Club, and the Regimental Ball, held in cooperation with the Colt Girl Cadets.

The corps returned to the old style brass buckle. This year it initiated a new method of having the battalion competition. Heretofore all the battalions drilled in Central's stadium. This year, however, each battalion will drill on its own field and the judges will travel to the respective schools for the competition.

Although none of the cadet competitions have taken place as we go to press, it seems safe to say that the 8th Regiment Cadets will place high.

CHEVRONS CLUB

An important adjunct of the Coolidge Boy Cadet Corps is the Chevrons Club, composed of the non-commissioned officers of the regiment. This club presents to the military instructor a conveniently handled unit of the regiment's future officers, where instruction for officership may be given and any new regulations may be passed down to the privates through the non-commissioned officers. President—David Schroer, Vice President—Caldwell Ford, Secretary—Robert Williamson, Treasurer—Howard Hovermale, Faculty Adviser —Lt. Colonel Michael J. Kelley.

GIRL CADET CORPS

The Girl Cadet Corps, under the direction of Mrs. A. R. Barrett and commanded by Major Dorothy Whitney, has been drilling each Monday and Thursday since the first of the year in high hopes of winning one of the first four places in the company competition, held during the latter part of May. Last spring, with only a year's experience behind them, one of the Coolidge companies marched into sixth place.

On the evening of February 2, Coolidge cadets, both boys and girls, found compensation for the rigors of military training in the fun of dancing at the Regimental Ball, in the armory.

Now the girls are back at the task of preparing to take the red diamond awarded to the company winning the competitive drill. With highest hopes that the girls achieve their goal, all Coolidge students unite in encouraging them, "Forward March!"

ORGANIZATIONS

ORGANIZATIONS

Almost every day groups of boys and girls remain after school hours to attend meetings of some of the school clubs which provide an outlet for the excess energy and the varied interests of those students who wish to extend their education and pleasure in school beyond the work in classes. The surprising number of these students and the wide range of these activities can be seen on the following pages.

FRENCH CLUB

"Entre Nous," the French club, has done much to acquaint students with the songs, stories, and customs of France. One of the main activities is the collection of food and toilet articles for French school children. President—Betty Jean Twery—Vice President—Carol Whitney, Secretary Treasurer—Ernest Codier, Faculty Adviser—Miss Folau.

SPANISH CLUB

At their meetings the members of the Spanish Club, one of the largest in Coolidge, gain practice in speaking the language, learn about the Spanish-speaking countries, enjoy related movies and entertainment, and plan social affairs, parties, or the typical Spanish fiesta. President—John Lakin, Vice President—Richard Endres, Secretary—Janice Williams, Treasurer—Neal Bozarth, Faculty Adviser—Miss Black.

LATIN CLUB

The official name for the Latin Club is "Senatus Populusque Romanus." Members learn more Latin in the club and become acquainted with Roman culture and literature. Faculty Adviser—Miss Quick, President—John Ellsworth, Vice President—Richard Osborne, Secretary—Edith Runk, Treasurer—David Snyder.

STAGE MAKE-UP CLUB

An organization that performs an invaluable function in the entertainment life of our school is the Stage Make-up Club. Its job is to apply the grease-paint to the cast of both our fall and spring shows; and anyone who has seen a dramatic production at Coolidge will testify that its members perform this task rapidly and effectively. Chairman — Mildred Banck, Faculty Adviser—Miss Fontanini.

CHORUS

The Coolidge Chorus, meeting every morning at eight-forty-five, offers its members an opportunity to become acquainted with good music, to improve their individual and group musicianship, and to participate throughout the year in concerts, assemblies, and other public programs. The Chorus holds a business meeting on the first Friday of each month and occasionally meets for a social good time. President—John Lakin, Vice President—Barton Pilcher, Secretary—Virginia Harvey, Treasurer—William Hansen.

LITERARY CLUB

The members of the Literary Club, "Pegasus," study the prose and poetry of different periods, practice choral reading, and occasionally attend the National Theater. President—Peggy Ernst, Secretary—Betty Ernst, Treasurer—Marilyn Leese, Faculty Adviser—Miss Walter.

DRAMATIC CLUB

Each spring the approximately sixty members of the Dramatic Club—who present a skit at each meeting to learn production, speaking, acting, and make-up—entertain their fellow students, faculty, and guests with a play that is hugely enjoyed by all who see it. This spring the members plan to present "You Can't Take It With You." President—Barbara Jean Long, Secretary-Treasurer—Molly Blake, Faculty Advisers—Mrs. Wall, Mrs. Plotkin.

ART METAL SHOP CLUB

The Art Metal Shop Club, composed entirely of upper semester girls, introduces its members to a fascinating and profitable craft, metal work. They also experience the great joy of creative work.

President—Audrey Rands
Secretary-Treasurer—Anne Hermberg
Faculty Adviser—Mr. Jacoby

CAMERA CLUB

Although chartered as recently as last December, the Camera Club is already very important to the school. Its members learn the theory of their subject by discussions at their meetings, and acquire the practice by actually taking pictures of school functions and groups for the Coolidge publications. While making this valuable pictorial record for their school, the members of this club acquire practice in a highly pleasurable and profitable field, photography.

President—Marjorie Herdt
Vice President—Peter Droeseler

One of the most important activities in a school is the publication of the school paper. In Coolidge this paper is the **Courier**, which comes out seven times a semester. It not only gives to all Coolidge students news of important happenings, athletic and otherwise, gossip, and stories about outstanding students, but it also presents to its staff opportunities to learn skills and gain experience in all phases of newspaper work.

The office of Student Council president is the most important student position in the school, and the election is a major event. Sponsoring dances, chartering clubs, and handling all other extra-curricular activities, the Student Council is a major aid in the smooth and efficient running of Coolidge.

SOCIAL

H.M.S. PINAFORE

Two of the big nights of the year '45-'46 on the Coolidge Social Calendar were those on which "H.M.S. Pinafore" was presented. This performance, Coolidge's first attempt at light-opera, was so popular with all who saw it that more light-operas will probably be given in the future.

Honors go to Bob Rutledge, Margaret Bray, Natalie Salomon, John Lakin, Jack Sauerhoff, Barton Pilcher, Bill Hansen, Fred Corley, Kenneth Coffman, Louis Biggs, Betty Bergman, Julia Ellis, John Donnelly, Bob Levick, Arthur Mott, Alan Weisberg and the other members of this large and talented cast for their portrayal of the dramatis personae.

Gilbert's sparkling dialogue and Sullivan's tuneful music were enhanced by the stage setting, costumes, and singing, all of professional effectiveness.

The teamwork of Mrs. Thelma H. McAdoo, other faculty members, and students who devoted their time and interest to the production led to this superior performance.

ONCE THERE WAS A KING NAMED STA
WHO CHASED A TIGER 'TIL HE RAN !
HE SHOT HIM WITH HIS SUPER CANNON
BEFORE THE WARDEN PUT THE BAN ON
THE BALL KLEINK'D HIM ON THE NECK
'TIL THAT TIGER WAS A WRECK !
THEN HE ROAR'D 'TIL HE WAS PUFFED
NOW THE TAYLOR HAS HIM STUFFED

TOUCHDOWN DANCE

The first date on Coolidge's social calendar for the year was November 2. The event was the Touchdown Dance, celebrating the football season and providing an opportunity for Coolidgites to become acquainted. With Bob Lee's Aristocrats furnishing the music, couples waltzed and jitterbugged, swung and swayed for three hours, from nine until twelve. The whole school was represented, from shy little rookies to well-known football and tennis stars. Members of the faculty who sponsored the dance seemed to enjoy themselves as much as did any of their students. The first dance held at the school since the lifting of war-time restriction, brought a noticeable increase in the number of cars as means of transportation. As successful as any such event ever held, the Touchdown Dance initiated a promising social year.

FEBRUARY SENIOR PROM

Friday evening, January 18, 1946, the February graduating class held its Senior Prom at the Shoreham Hotel. Everyone had a grand time dancing to the sweet, soothing rhythms of Barney Lowe's orchestra. Besides the blissful countenances of senior classmen, some of the familiar faces were those of Mr. and Mrs. Holmes, Miss Hanft, and Mr. and Mrs. Plotkin. The climax of the evening, the Grand March, was led by the class president, Harry Schnabel. Immediately following this, Tommy Israel, master of ceremonies, presented the winners of the popularity poll. Everyone seemed to agree that the dance was a great success and the punch served was wonderful.

What is it?

Mrs. Murray says it isn't Latin!

Mrs. Watkins swears it isn't Spanish.

But actually it's the key to real
healthful enjoyment, for backwards
it spells JONES ICE CREAM. You
know, that neat shop just brimming
with homemade ice cream. Any kind,
any amount; package or bulk.

And don't forget those ice cream
novelties for every party and holiday.

Drop in for a sundae or a shake
when you want real taste treats,
